You helped me to celebrate my inner child!

Amanda

Thank you for your gift of dance! You are an unbelievable teacher.

I used to have a girl like you dancing all the time in me. She got slow and maybe lost but looking at you calls her back. So many blessings from your work for the lost 'bones' like me.

Thank you for being you. You are so inspiring and motivating. Not only do you make me feel extremely comfortable, you have opened my mind and heart to new & exciting ideas and feelings.

From my heart thank you,

Rebecca

Wowee! Thank you for creating such a sacred space with fabulous women. I WANT MORE!!

Love, *Heidi*

Thank you for all your support and love. Being in your presence is as warm as the sun.

Thank you for giving Zoe such a wonderful experience at art camp. You are great and Creemore is lucky to have you.

Lara

You have a wonderful way with children. My children just blossom with your permission to just be themselves and your fun ways.
